Cable News CIVIL SERVICE IN NAVY YARDS

[Associated Press Cable]

WASHINGTON, D. C., Nov. 25.—An authoritative statement was made today that the navy department improves of the application of the civil service rules to all employees of the various navy yards. It is also stated that wages under this new ruling will not be affected.

Over-Night FEDERAL Wireless To the Advertiser

France, today, ordered her army reservists to be in readiness to join the Colors at short notice.

All the railroads of France have been directed to assemble cars at all strategic points.

That the Servians are mounting more guns in their forts at Belgrade, is stated in a message to Vienna today from Semlin, across the river from the Serbian capital. All soldiers that can be spared from Monastir and Friaren are being recalled to Belgrade.

Relations between Austria-Hungary and Serbia are so strained that political circles in Vienna have abandoned hope of the preservation of peace. The Austrian government, it is asserted, is resolved not to await the return of the Serbian army operating against the Turkish troops, and an ultimatum to Serbia may be expected in a few days.

Austria is now disposed to push the matter to a decision, because, if war is inevitable, she wants to take advantage of her mobilization, being more advanced than that of Russia.

Realizing the possibility of rapid and important developments in the Balkan war, the navy department has slightly changed the itinerary for the cruisers Tennessee and Montana, now on the way to the Orient under Admiral Knight.

Sworn testimony that John McNamara planned complete destruction of Los Angeles was given by Orville McManigal, today, at the trial of the union men for illegally transporting dynamite. McNamara's recall to the stand was unexpected.

McManigal said McNamara had planned to send three or four "good men" to Los Angeles, start fires in different parts of the city and dynamite the water system.

Before the direct examination of McNamara ended, he testified that John McNamara planned to send him to Panama, there to locate a government magazine, steal the dynamite and blow up the canal locks.

Mr. and Mrs. Henry Gilliard Smart have arrived in San Francisco on their way to Honolulu from a visit to the home of Mr. Smart's parents in Norfolk, Virginia. They are staying at the Fairmont Hotel awaiting the sailing of a Honolulu-bound steamer. Upon their arrival in Honolulu, Mrs. Smart will at once assume her duties as hostess at Waimea, and the formal opening of her home will be an event in Hawaiian society.

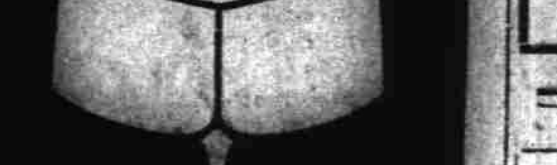

The Chinese government troops under Prince Pohai, a loved Mongolian, captured the city of Ulassatal, Mongolia, after two days' battle, according to a Peking dispatch to the Chicago Daily News, today.

Dr. Anna Howard Shaw was today overwhelmingly re-elected president of the National Suffrage Association. The insurgent candidate, Laura Clay, of Kentucky, received only twenty votes.

President-elect Wilson suffered today from a slight attack of indigestion which compelled him to decline an invitation to take a sail on the private yacht of Sir George Butler. Mrs. Wilson and daughters, however, accepted.

Los Angeles will be represented against Sir Thomas Lipton in the proposed international yacht race during the San Francisco exposition.

Fort Myer on the Atlantic coast established wireless communication with Mare Island, 3000 miles away, and exchanged messages for over half an hour.

**Biliousness is Caused by Drinking IMPURE Beer!**

When beer is pure there is nothing more healthful. Pure beer brings no after-effect, no biliousness.

Schlitz is not only made pure but is kept pure.

Light starts decay even in pure beer. Dark glass gives the best protection against light. The Brown Bottle protects Schlitz purity from the brewery to your glass.

Perhaps if you, too, would drink Schlitz—Schlitz in Brown Bottles—you would have an altogether different idea about beer.

Schlitz in Brown Bottles should be your regular beer.

See that crown or cork is branded "Schlitz."
